Dear Homestay Parent

Re: ISEC Excursion

On Friday, 27 February ISEC students will undertake a school excursion to the Central Market as part of their studies in English Language and Australian Culture and Society.

They will also visit International Education Services (IES) to gain information about services offered to international students in Australia.

Students will travel to the city by public transport, departing the school at 9.00am. They will return to school after 2.00pm and will be dismissed home. Student will need a bus ticket.

Students are asked to wear their correct school uniform. It would be desirable for students to bring some money if students wish to buy lunch in the city.

Please sign the attached consent form and return it by Friday, 20 February.

Yours sincerely

Andrea Sarantaugas           Panayoula Parha
Assistant Principal, International Programs   Principal
