YEAL9 CITY TRAILS FIELDTRIP
8:45am – 3:12pm Thursday, 19 March 2015

Dear Parents / Caregivers

As part of our year 9 Humanities course, students will develop fieldwork skills for future studies. These will be outlined and practised during their participation in the City Trails fieldtrip developed by the Adelaide City Council.

TRANSPORT
Students will require either a Metro Card or the return bus fare of $2.60. The class will meet Mr. Dance and another teacher at the Bus Stop on Moules Road West immediately after PLG @ 8.45am. As a class we will travel by bus H30 to Stop U2 on Grenfell St and walk to Victoria Square.

Working in two groups escorted by a supervising teacher, each will follow the printed instructions, map and answer the history and urban development questions about their allocated quadrant of the city. Returning to the Central Market for lunch @ 11:45am where students will eat their packed lunch or food purchased from the market.

Students will conduct a Produce Origins survey and meet their teacher at the Victoria Square entrance at 12:45pm. Students will then conduct a land use investigation of the Central Business District buildings around the Square. Their recorded observations and results will form the foundation for their report and annotated map.

Students will then be escorted to Stop E2 in Currie St @ 2:35pm to arrive back at the school by 3:12pm.

SUPERVISION
The students are expected to be in full school uniform and conduct themselves in an appropriate manner. A hat, sun screen, water bottle and bag containing their note book, instructions and writing implements is required. A phone or camera for photographs is optional. The teachers will be walking with the groups to ensure students are performing their investigation correctly and address any difficulties. I will be in contact with the school on the mobile phone.

Yours sincerely
